

## Hollywood Youth Theatre Internship Opportunities

Hollywood Youth Theatre's Internship Program exists to provide training and educational opportunities for college students who are actively pursuing a career in theatre or the field of teaching. The internship program is desired to expand their knowledge and experience in theater by making them a vital part of our community and team.

*While interning at HYT students can . . . .*

- Bridge the gap between collegiate work and professional life by working in a focused atmosphere that's both creative and supportive.
- Build networks and relationships with other theatre professionals. These relationships can lead to future jobs in the industry, professional associations, and even life-long friendships.
- Broaden intern's knowledge base and understanding of the inner-workings of a non-profit theatre company.

Currently, HYT offers internships for Summer Camps, usually held in/around the month of July. The internship is a full-time, 40hr/week commitment. The exact dates for camp can be found on the HYT website.

HYT interns are entrusted with a great deal of responsibility and have the opportunity to work closely with HYT staff and students. Interns are expected to participate in the process of shaping the camp and are included in all staff meetings.

**Students will assist teachers in the classroom and provide admin support for our summer camp coordinator.**

Applicants must be at least 18 years of age. HYT Theatre is an equal opportunity employer.
